

REMARKS

Claims 1-29 are pending, with claims 1, 11, 17 and 27 being independent. Claims 27-29 have been cancelled by this amendment without prejudice. Claim 11 has been amended. New claims 30-34 have been added, with claim 30 being independent. No new matter has been added. Reconsideration and allowance of the above-referenced application are respectfully requested.

The indication that claims 1-26 are allowed is appreciatively noted. New claims 30-34 are similar to allowed claims 11-13 and 15-16, further including an antenna.

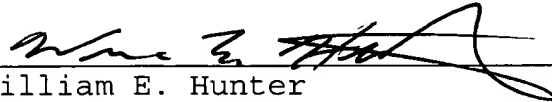

Claims 27-29 stand rejected under 35 U.S.C. 102(e) as allegedly being anticipated by Nagatani et al. (US 6,836,517). This contention has been obviated by the cancellation of these claims.

In view of the above, it is respectfully suggested that the current rejection is totally overcome; that none of the cited art teaches or suggests the features which are claimed, and therefore that all of these claims should be in condition for allowance. A formal notice of allowance is thus respectfully requested.

Enclosed is a \$100 check for excess claim fees. Please
